This half term our theme in art and animation club is Fairy-tale inspired activities and we will be painting, animating, sketching, clay making, blending and sculpting our way all the way through until home time! In cooking club each week we will be making either a sweet or savoury dish for the children to take home for their dinner

A drink and snack are provided & spaces can be reserved for a half term or the full year. Experienced professionals design & deliver all of our inspiring activities & all of our children's activities are delivered by experienced & CRB checked staff.

We are also registered with the Children's University.
