Our Response to Covid19 – notes on changes in practise

Below are a few notes on some of the changes we will be making at our holiday clubs over the summer of 2020. An updated version will be available prior to our bookings opening.

Drop off and pick up- we will be changing the way that we sign children in and out of our care, setting up an area outside for parents to drop off and pick up their children.

Group sizes- we will be shrinking our group sizes so that we can ensure social distancing throughout the day.

Activities- we probably only be running 2 activity types per day - either art and cooking, or art and animation.

Materials- we will be allocating materials & equipment to the children for the day and not sharing equipment to ensure we are limiting the exchange of objects between children

Seating for lunches and activities - we will be using seating plans to ensure social distancing.

Hand sanitiser- we have a large amount of hand sanitiser to see us through the holidays and will be working within the authority guidelines to ensure we are doing out utmost to keep everyone safe.
