To join one of our online classes simply go to our website and book online [www.kidsartsacademy.co.uk](http://www.kidsartsacademy.co.uk)

For our online cooking club we will send you the recipe you have chosen which will contain details of all the ingredients and equipment you will need. We have kept the recipes simple so that the children can work as independently as possible. The equipment will require will just be scales, a bowl and spoons.

For our online art club we will also send you a list of what you will need for the activity, but it will really just be basic materials—pencils and paper will do.
